JULY 2012

Summer
is
Here

From the President's Saddlebag

Howdy Partners,

Has another month galloped by already? I can't believe it is finally summer and we have even had a few sunny days to prove it.

Time For Trail Work!!!!

Now it is time to gear up for some serious trail work. The Red Ives work project is July 21st and 22nd and we need as many people as we can halter up, to trailer out, and help clear trails. Karen Kimball is the Trail Boss and all you have to do is call her at: 699-5268. Sign-up by **July 18th** and she will hook you up at the right place. We need to have more than just the usual workers here, so those of you who don't normally come out, think about this trip. It is loads of fun and the work isn't as hard as you might think, plus there will be food!

A Little Bit of Fun!!!!

For those of us who can't make it out to Red Ives, on Sunday July 22nd there will be a ride at Blue Creek. This is an all levels ride and should be loads of fun. Best of all, its close by. We need sign-ups on this one so we can work out the trailer parking. Bring a lunch and join us at the new trail head that we are helping to get set up and going. Call Marilyn to sign-up by **July 18th** at: 755-8112

Steak! Steak! Steak!

Next, I want to talk about the annual Steak Ride on Sept 8th. This year it is being held at the Linscott's Ranch and anyone who has gone on a ride at their place knows that not only are the trails interesting and fun for all riding skill levels, but and best of all, once the ride is done . . . boy do we get fed well. The steaks are the best ever and so is all the food. Cost for the ride and food is only \$10.00 and now is the time to start thinking - steak - steak - steak!!!! We all want to get steak and go riding at the Linscott's. Sign-ups and payment must be completed by **September 4th**. Payment in advance because someone has to pay for all the vittles we are gonna pig out on. Sign-ups in advance because Linscott's need to know how much grub to get. Come on everyone, saddle up now for this trail party. Call Marilyn at: 755-8112

More Food With Dutch Oven Cooking!

Back to July, remember that the Heyburn overnigher and Dutch Oven teaching is being held the 14th and 15th. Most of us are arriving on Friday the 13th (ohhhhhh, nooooo not Friday the 13th!!!!), but for anyone who wants to avoid all the bad luck of driving on the 13th then

PANHANDLE BACK COUNTRY HORSEMEN JUNE 20, 2011 MINUTES

GUEST SPEAKERS - BLM Park Ranger John Mottern talked about a horse gate and boardwalk in the meadow at Blue Creek Bay. BLM Park Ranger Jake Bachtel spoke on the Crystal Lake Wilderness Study Area. The trail has not been maintained and they are hoping that we will help them out. Access from Cataldo and Sheep Springs off the St Joe River Rd in St Maries.

President Marilyn Rousher called the meeting to order at 7:27PM

Guests: Ela Conner

May minutes were read. Bob Williams motioned to accept, Joyce Bissell 2nd, passed.

FIRST AID CLASS - has been put on hold. Maybe we'll do it in the winter.

LNT TRAINING - June 23- 24. 8 people have signed up.

MARIE CREEK CLEARING - Les Erickson and Bob Funke have cleared out a lot of trees and used a jack to get the rebar out. We received \$50 for our work. Karen Kimball reported that the trail was very muddy and there is water running everywhere.

WORK PARTIES - Usually it's the same folks who show up. Would like to see others, such as Heather, Bea and Tracie at Blue Creek. Part of the problem is that we're not getting the word out. Karen and Marilyn will work on making calls and getting info for e-mails.

HEYBURN CLEARING - Bob Williams reported that the trees had been cut and we built the trail with pulaskis and could have used a mini back hoe. Ranger Don West said it was nice to have us horse people around that know how to make a trail.

4th of JULY PASS FUN RIDE - Angela Parsons is the trail boss and will be proving the food. The cost has been increased from the \$3.00 in the newsletter to \$5.00. No stallions allowed. Ginger will lead the 10 mile ride and Angie, Marilyn and Julie Volpi will lead the 5 mile ride.

BLUE CREEK BAY WORK PROJECT - We were told we'd would be helping with putting up signage and actually shoveled dirt. The ranger said we did more work than what he expected we could do.

HEYBURN STATE PARK RIDE OVERNIGHTER & DUTCH OVEN COOKING TRAINING - July 13-15. Ride out at 9:00am. It's a 4 hr ride so pack a lunch. Will start the Dutch Oven Cooking between 2:00-3:00. Cost for dinner will be \$10. Need to highline your horse. We'll practice LNT. Must RSVP by July 9th. There is a parking fee and Debbie Samovar will call for rates.

JULY 18th GENERAL MEETING - This is our Annual Pot Luck, bring a side dish to share, your own meat to BBQ and something to drink. Karen Kimball will take care of the water sprinklers, plus she and Jim will get the charcoal going around 5:00. The Rousher's will assist.

RED IVES - July 19-22. You can go up on Thursday night. The Kimballs will be up on Friday morning and we'll work on Saturday. Pot luck on Saturday night, bring your own meat. Trails to be worked on have not been determined yet, it depends on the number of people we have. Sunday morning either the ranger will make breakfast or Karen will. Bob Williams made a motion that the chapter pay for the breakfast at a cost of \$5.00 per person, Angelo Bissell 2nd, motion passed. Karen will write up more for the newsletter.

BLUE CREEK BAY RIDE - July 22. For those not going to Red Ives, this is a beginner's ride. Marilyn Rousher will bring a Horse 1st Aid Kit.

MARIE CREEK RIDE - August 5th, this is not a beginner's ride. Horse need to have shoes or boots as the trail has rocks and lots of shale.

AUGUST 15th GENERAL MEETING - Tiffany Powne of Nutrena will be speaking on Horse Nutrition.

TRAIL BOSS CHECKLIST - We currently have one for work projects and need one for pleasure ride. Marilyn Rousher and Karen Kimball will work on the ride version. The work version can be found in the New Member Handbook on our web site.

PRACTICAL VET CARE - Bob Williams attended a SARS training where they had a vet speak on practical vet care. If your horse gets bit by a snake, give him 10 Benadryl, use Nyquil for a cough, don't have bedding or feed hay when trailering: the dust gets in their eyes and lungs. One of the best fire starters is to have a cotton ball soaked in Vaseline and use a metal match and it will burn for seven minutes. Bob will send his notes for publishing in the newsletter.

REMOUNT - Jerry Shriner left copies of the Remount Geo Cash on the table. He has submitted all of the tribal paperwork and put in several calls to the tribe regarding group camping and still has not gotten a response, so we probably won't be going back. May go to Escure Ranch instead and would like to have insurance for guests. Bob Williams will work with the Shriners on setting this up.

2012 CALENDARS - Karen Kimball made a motion to sell the remainder of our calendars for \$10, offer only good for this meeting. Any that don't sell, we'll send the cards in under the chapter's name. Bill Clarke 2nd, motion passed.

NAME TAGS - Debbie Samovar made up tags for members that show up fairly regular for the meetings. If yours was not in the box, she'll have them at the next meetin. At the end of the meeting put you tags back in the box under the appropriate tab.

NEWSLETTERS - The budget for the newsletter only allows for 5 copies to be distributed at the meetings. Please leave these for guests and new members.

TRAIL BOSS NEEDED

NOTICE

JUNE, JULY & AUGUST
 Monthly meetings will be the
3rd Wednesday of the month.

WELCOME NEW MEMBERS

We are one of the earliest chapters in the organization and now in states all across America. Now we have a national organization with a single Mission Statement. This statement is read and then signed by each new member whether it is male or female, single or a family. Like all volunteer organizations, be it church, Rocky Mountain Elk Foundation or PBCH all members will not do all the work in that outfit.

Some go to church on Sunday mornings, others teach, baby sit or go on Mission trips. RMEF members are the same, some really get involved and others pay their dues, read the magazine and hunt, but their names are on the roll as members. Likewise PBCH had a lot of new members. Some will join just to ride and learn of trails. Some will join and learn about packing and camping with horses. Some will become the workers, workers who take the place of the old guard. Some have moved away, got too old or left this life behind. Yes. I miss them but I will soon be part of that group.

But, I see some new members coming along that will fill those spots in time. They read the Mission Statement like I did 20 some years ago. And like some old members I have never seen on a work party outing, they still pay their dues and are on the rolls of the state and national BCH. In that way they keep the mission focused.

Our By-Laws insure the chapter's direction. The way to get people to learn more, or help more is to personally ask them, invite them, help them, then not to wonder if they only joined to ride. Remember you were new once and only a card carrying member like me. All of us contribute to the good of the whole.

Welcome new members. Saddle up, lets go find a trail to ride and go for it.

Heyburn Ride & Dutch Oven Cooking Training Fri - Sun, JULY 13 - 15

Most of us are arriving on Friday. Saturday we will be riding out to the trails promptly at 9:00 so we can be back to camp by 1:00 for George Miller to begin his Dutch Oven teaching. We need sign-ups by **July 9th**, and remember this is a members and guests ride, but we need a head count for food and set up of parking and horse arrangements. Cost for the food is \$10.00, ribs are the main course and believe me they are going to be tasty. Friday night, bring your own food and we will sit around the campfire and have a good time, Saturday, breakfast at your campsite then pack a lunch to be eaten on the trail. Sunday morning, some of us are going to take another ride after we feed the horses and make breakfast. Call Marilyn at: 755-8112 **Directions:** From Coeur d'Alene travel South on Hwy 95 approximately 34 miles to Plummer. At the flashing light, turn left (East) onto Hwy 5. Travel approximately 6.5 miles to the flashing light and left turn lane. Turn left onto Chatcolet Rd. From St. Maries, well, you know your way!

Annual Pot Luck - Wed, JULY 18

GENERAL MEETING - This is our Annual Pot Luck, bring a side dish to share, your own meat to BBQ and something to drink.

Red Ives Work Project - Fri - Sun, JULY 19 - 22

This is a great work party to go on and a chance to see beautiful country and have fun around the camp fire. We will be clearing trails. You can go up either Thursday night or any time on Friday and we will be camped across the bridge from Red Ives Ranger station over by the horse barn. The gate will be unlocked. We'll have the Chapter chainsaws and nippers for members to use clearing trails on Saturday.

Friday night you can bring your own hamburger, the grill will be on and we'll have all the trimmings. Saturday morning breakfast is on your own so we can get an early start. Saturday night bring your own meat to BBQ and a dish if you would like to share. We never go hungry. Do your own lunch on the trail. Sunday morning breakfast will be provided and then some may go on a ride before heading home. Trails are steep so horses should be in shape and shod.

Please no dogs on the trails and they need to be at campers during meals. **Directions:** See next page.

RSVP by July 18th to Karen Kimball at 208 772-2434 or jkkimball01@gmail.com.

Blue Creek Bay Ride - Sunday, JULY 22

We should meet at Blue Creek Bay at 9:00, in the saddle by 10:00. Need to **RSVP by July 18th** to accommodate for trailer parking. Need to be on time so we can get the trailers parked and be ready to leave at 10:00. **Directions:** I-90 east of Coeur d'Alene. Take the Wolf Lodge/Harrison exit, turning left and crossing I-90. Then left on to the Yellowstone Trail. Travel west and north about 2.5 miles along the Yellowstone Trail and park on side of road.

Marie Creek Ride - Sunday, AUGUST 5

This is not a beginner's ride. Horse need to have shoes or boots as the trail has rocks and lots of shale. Boots in the saddle by 9:00 AM. **RSVP by July 31st**. Pack a lunch, no dogs, arrive with a smile and be ready to have fun. **Directions:** I-90 east of Coeur d'Alene take the Harrison exit (# 22) and turn north. Turn right at the stop sign on the frontage road. Go 1.4 miles and turn left on Wolf Lodge Road. After 4.5 miles turn right on Marie Creek Road. After approximately 2 miles turn right on the one-lane entry to the trailhead. There is no trailhead sign there (or if there was, it is buried in weeds), but where the entrance splits away there is a large sign stating that motor vehicles must stay on designated roads.

COEUR D'ALENE TO RED IVES

DIRECTIONS: Red Ives is on the upper part of the St Joe River above the town of Avery. A sure fire way to get there is take I-90 to the Hwy 3/Rose Lake exit #34, go south to St Maries. At about 22 miles there is a stop sign/light at the Hwy 3/Hwy 97 Harrison "Y". From there go about 10.25 miles, at the 35 Miles speed sign and Avery/Caulder sign, take a left onto St Joe River Road (NF-50). It's about 90 miles from St Maries to Red Ives all on paved roads. Approximately at the 73 mile marker there's a bridge on the right to Red Ives that crosses Gold Creek. Look for one of our red and white PBCCH arrow signs. The last 10 miles is paved, but narrow with few turnouts, so take it slow and carefully. Again, look for one our red and white PBCCH arrow signs at the Red Ives Historic Ranger Station directing you across the bridge to the camping area.

Canfield Mountain Fun Ride - July 17

We had a nice ride, a little windy at the bottom of the mountain but on the north side it was calm. There were only 7 riders and Chris Holloway and her daughter, Tyler, rode with us and Chris talked on how to take good pictures on the trail. We stopped at different locations and took some pictures then rode the trail to the top where it meets the road. Then we rode down to Dalton Arena and had our lunch and still got home for a Father's Day dinner. A big "thanks" to Chris for the photo lessons.

Chris Holloway

Leave No Trace Training - July 22-24

Seven of us meet at a trail head by Grouse Mt to learn "Leave No Trace" techniques. Terry Steiner from Priest River Valley Chapter is a Master Trainer and did an excellent job at teaching us. We went up on Friday night and spent 5-6 hours on Saturday as Terry went over all the materials. We are all LNT trainers. We went for a short ride Saturday afternoon then had dinner around a bonfire. We planed on going for a longer ride on Sunday but the whether was cloudy with thunder storm predicted so we packed up and came home. Those who attended were Jim and Karen Kimball, Stan and Jamie Smith, Bill Clarke, Angie Parsons and Ray Heilman.

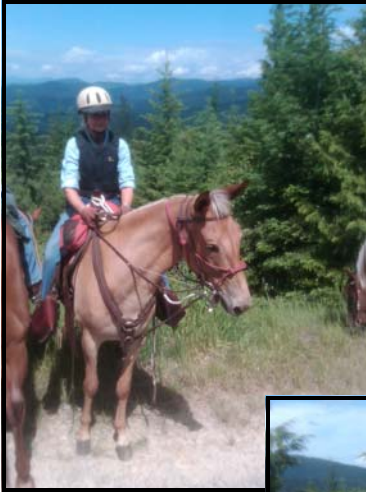

Trainer Terry Steiner

C 4th of July Pass Ride & BBQ - July 30

We had a turn out of 45 people, 15 being guests, of which we got a family membership and a commitment for 2 others to join. Angie cooked up some mighty fine chili and corn bread. Great trails, great rides, great food and great conversations.

Chilco Mt Clearing and Ride - July 30

On July 5th I called a few people together to ride and clear Chilco Mt trail. This trail is non-motorized and is a National Recreation Historic Trail. Not many of us that were clearing had ever been on this trail before. The trail is cleared and easy riding. It is up and back, there is no loop but when you get up on the peak of Chilco Mt and South Chilco there are some of the best panoramic views around. You can see Twin Lake, Hayden, CDA and Pend Oreille Lakes. The trail is about eight miles long so sixteen miles if you rode to the end and back. If you go, take the Bunco and entire on the North Side, the road is better. There isn't much parking, no trail head, but we squeezed 4 trucks and trailers in.

We had a great ride with some clearing along the way, Bob Funke had to get out the large bladed chain saw a few times, had lunch on top of Chilco Mt and then continued on to South Chilco Mt. We stopped there and headed back. Bob and Linda Funke went up from the South side and hiked in and cleared to the top of South Chilco on Tuesday. Thank you to everyone that went and helped out.

PRESIDENT'S MESSAGE *(Continued from page 1)*

remember we will be riding out to the trails promptly at 9:00 so we can be back to camp by 1:00 for George Miller to begin his Dutch Oven teaching. We need sign-ups by **July 9th**, and remember this is a members and guests ride, but we need a head count for food and set up of parking and horse arrangements. Eatin' Agin At the Monthly Meeting!!

Now, least anyone forget, our next General Meeting is July 18th and its our annual Pot Luck. Bring your own meat for you and your guests and either a side dish or dessert to share with the rest of us hungry folks. The trough opens at 6:00 with a couple of us coming at 5:00 to make sure the sprinklers don't soak us again this year and to get the bar-b-ques hot and cooking. We won't be having a full out meeting, but we do need to discuss the purchase of PBCH t-shirts and sweat shirts. Also, Karen needs a final head count on our Kootenai County Fair demonstrations. So far we have Al Linscott teaching wilderness survival, Bob Williams packing, maybe someone is going to step up to the mounting block and talk about LNT and a few of us have volunteered to lurk about on the outskirts and let people know what PBCH is all about. I know there are some of you out there who have some BCH skills you can share with the public. Time to spin around and join the parade. Call Karen at: 699-5268.

And One Last Feed Before We Go

OK, so I lied on this one. No food, just a good hard ride, not for the faint of heart. August 5th boots in the saddle by 10:00, we are having the Marie Creek Ride. This is our Chapter's adopted trail and if you come to any of our meetings you will know by now that it takes a lot of work to keep this little beauty open. Bring a lunch to eat while we ride and remember that shoes or boots are suggested for the horses. Sign-up by **July 31st**, call Marilyn: 755-8112

So, there you have it, the agenda for July, if anyone does not feel like they have enough Panhandle Back Country Horsemen activities going on, let me know and I will be happy to sign you up as a Trail Boss. We need all the Trail Bosses we can get, so don't shy away like you seen an alligator in a mud hole, slide stop at your phone and give me a call and I will sound the bugle over the internet and make sure things get rolling.

So, on that note, I'm off for trails both rocky and wide. See you at the meetings or someplace in between.

Your President, Marilyn ~ I Got Spurs That Jingle Jangle

OUTSMART THE OUTBACK - Debbie Samovar got a supply of these in. To make these last they will be given out to members, one per household.

CALENDAR ON WEB SITE - Debbie Samovar got an interactive monthly grid set up. When you go to the calendar tab on our web site, "[Click to Enter Panhandle Calendar of Events and Meetings](#)" and the grid opens. You can click on the underscored events and a pop up window will display all the details. Hit CTRL+P to print. Events highlighted in yellow are open to the public or guests.

TEE-SHIRTS - Due to the small quantity, prices for shirts are \$10.88 for S-XL and \$13.99 for XXL and we wanted to confirm that this was OK for those who signed up. Some members wanted to know about sweatshirts and hoodies. Karen will get colors and pricing and we'll put an order together at the July pot luck.

STEAK RIDE - Sept 8th - Al Linscott wants us to start promoting this members only ride. It will be a pot luck and the Linscott's will provide the steaks at \$10 per person. Must be prepaid. It is an easy ride.

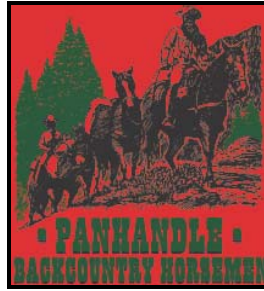

NORTH IDAHO FAIR - Aug 22-28. Chris Halloway, Fair manager and daughter of members Oscar and Char Steinley, has asked if we would like to do a booth at the fair. We would be there 3hrs/day with our chapter display and membership info. We can bring a horse and give demos on LNT, Dutch Oven, Survival Techniques, Packing. Karen would like a list of workers and demo ideas. Bob Williams so moved that we do this, Angela Parsons 2nd, motion passed. A sign up sheet was passed around and an e-mail will be sent out.

Michael Bryarly won the \$49.00 Progressive Pot, which will roll over to July. There were 33 members present. Meeting adorned at 8:49

Tennessee Walking Horse 17 yrs./ 14.3 hands /
nicely gaited. My ill health forces the sale of this
beautiful bay mare. She has been ridden in the
mountains all over WA & OR. Many camping
trips, hi-lines well. She will make an excellent
trail horse for the intermediate rider.

FOR SALE

Amistad

This 16 yr old is a great horse for any level of
rider, jumping, english, western pleasure, and
bareback. Used for BCH, 4-H and Pony Club.
Trail riding and crosses water, bridges, and many
other unexpected obstacles with ease. Taught him
a few tricks such as to smile, bow, hug, pick up
objects, and kick a soccer ball to me. A good
home is very important to me because he made
such an amazing first horse for me and my family
over the last seven years that I have owned him.
