Hi everyone!

Wow! What a great event we had! So much help and a great turn out of participants. I know it was a lot of work but it was also a lot of fun. Thank you all! We have a trail clearing at 4th of July Pass on July 5th. Boots in the saddle at 9 am. Arnie is trail boss. Things are opening up but in the recent days a lot of Covid cases have started to flare up. So for this reason I think we should cancel the Farragut Ride on July 12. Sorry about that! I would hate to be responsible if someone gets sick. We do have a camp out planned at Pee Wee creek on July 25th and 26th. It's for members only and we will bring our own food. Karen Kimball trail boss. Our July meeting will be held at the park at the Dalton City Hall. We usually have a potluck but will not this year. There is room to spread out and lots of fresh air. Looking forward to see you all soon!
Julie

4th of July Recreation Area National Trails Day Event

The PBCH chapter completed a step-over horse gate installation at a trailhead in North Idaho working alongside members of Panhandle Nordic Ski Club on National Trails Day June 6. The 9-foot gate was built with a \$200 Lighthouse grant money the chapter received earlier this year. The gate will keep out motorized traffic and allow horseback riders to access a lower trail on the 4th of July Pass Recreation area in the Panhandle National Forest east of Coeur d'Alene. The Nordic Ski Club maintains this trail system in the winter grooming it for cross country skiers and snowshoers. This Jeannette's Jaunt snowshoe trail is located directly below the main parking lot. It is an established trail but was very hard for horses to access on a series of steep switchbacks. The trail ties into other trails to make nice loops for hikers, bicycles and horses. Five chapter members and two ski club members worked about 1.5 hours on the project. Three chapter members also cleared out trees along a short section of the trail with nippers and chainsaws. A wheelbarrow was used to haul all supplies and equipment to the trailhead. Chilco Mountain Work Party

Ten PBCH members worked on the Chilco Mountain trail clearing last Sunday, June 28. Thanks for everyone who helped clear the trail. It was a zoo up there according to trail boss Karen Kimball. There were 4-wheelers, motorcycles, trucks and a line of cars from hikers alongside the road. We were parked alongside a narrow road and while we were saddling a group of 12-15 four-wheelers drove past our horses. The animals were so good as traffic was passing two to three feet from them. Trail Obstacle Course Fundraiser Event June 20

The first annual fundraiser Trail Obstacle Course was held at Dalton Arena on 16th St. Some 31 people participated in the one-day event which boasted 12 trail obstacles such as a water crossing, a bridge, a chainsaw and tent obstacle, crossing logs, crossing through water noodles and glittery streamers, and dragging and carrying items on horseback. It was a great day for weather and the PBCH chapter offered food and a raffle to add to the fundraising totals. Thanks to everyone who set up and worked the event, donated obstacles, donated raffle items, parked rigs, worked the food concession, and also to everyone who participated in the event.
