Back Country Horsemen of America... is a nonprofit organization working towards the preservation of the back country. Our primary purpose is to maintain trails, trailheads and opportunities to use stock in the backcountry. We work with Federal and State agencies, other groups and individuals to support proper use and protection of our backcountry. We support education of all backcountry users to reduce impacts on meadows, trails and all resources so that our right to use horses is maintained.

If you believe in our cause, we welcome your membership. We have monthly meetings, with an education session and our members receive a monthly newsletter.
